

NICE-sur les collines-vue mer panoramique-appartements luxueux neufs - Ref: SV

This new luxury residence consists of beautiful apartments and duplexes set in a quiet Mediterranean garden and offering stunning views of the sea and surrounding green hills

The layout of the living areas ensures perfect fluidity of movement, while their ideal exposure offers plenty of light. In addition, terraces and balconies up to 40 m2 give unobstructed views of the surrounding nature and also splendid sea views for some apartments

The residence features contemporary architecture with clean lines whose elegance is highlighted by the façade's grey and white colours. The orange-red colour of some sections of wall, characteristic of the traditional facades of Nice, also brings a touch of dynamism to the construction. The play on volumes of the balconies animates the building and gives it a refined look. Low-rise, consisting of three buildings harmoniously arranged on the terraced grounds, the residence has been created with privacy in mind. The estate, which overlooks a vast, non-constructible

area of land below, is a jewel in a natural setting to ensure quality of life and serenity.
